Garou's new single **'Stand Up'** premieres on RMF FM on March 12!

March 10 is the day of the world premiere of the first single 'Stand Up' – of the forthcoming English album Piece of my soul (in stores from May 12). It will be aired on RMF FM's Poplista on that same day for the first time. The song was composed by Rob Thomas (singer and Grammy Award winning songwriter for American rockband Matchbox 20 and co-writer of such hits as for example Santana's 'Smooth').

'All the Way' – Garou debuts as a writer

Everything indicates that the year 2008 will be really crucial in Garou's career.

He will celebrate his 10th anniversary on scene not only by a debut in the language of Shakespeare, but also by presenting a song written by himself!

We already know the possible titles of three out of thirteen songs from Garou's latest album entitled 'Piece of my soul'. Apart from 'Stand up', and 'Heaven's table' (already heard during the 2003 tournee), French portals announce that we will find there a composition called 'All the Way'. Dynamic, rock tune was combined with lyrics written by Garou himself.

It tells us about love and his passion for poker... so it will simply be an autobiographical text ;-)
